X RACING FLAG DESIGN

The Armor X12 Pro features a newly X pattern design and a checkered flag decoration on the back of the phone, drawing inspiration from the iconic F1 racing flags. This design element infuses the phone with a sense of high performance and speed.

Triumph Over All Hardships

**IP68/IP69K &
MIL-STD-810H**

The Armor X12 Pro complies with the IP68/IP69K and MIL-STD-810H standards, which means the device is designed to withstand various challenging conditions, including dust, drops, water, extreme temperatures, and humidity. It is built to survive in harsh environments, making it suitable for construction sites, surfing, climbing, and forest hiking. Whether working in rugged conditions or engaging in outdoor adventures, the Armor X12 Pro is designed to endure and provide reliable performance.

Capture the Right Moment
13MP SONY MAIN CAMERA

The Armor X12 Pro features a 13MP main camera with the Sony IMX214 sensor. This powerful combination lets the device capture high-quality photographs with excellent clarity and detail. The device produces sharp images, accurately reproduces colors, and captures fine details.

A man wearing a yellow jacket and a dark cap is smiling and holding a smartphone up to take a selfie. The background features a vast, rugged mountain range under a clear blue sky. The phone is a dark color with a textured back and a prominent camera lens on the back.

Make You Look Great

8MP SELFIE CAMERA

With its 8MP front camera, the Armor X12 Pro can satisfy all your selfie needs, capturing stunning and impressive self-portraits anytime.

Secure, Private, and Personal Android 13

The new permission system demonstrates an improved initiative for notification permission and media access, creating a safer and more private environment.

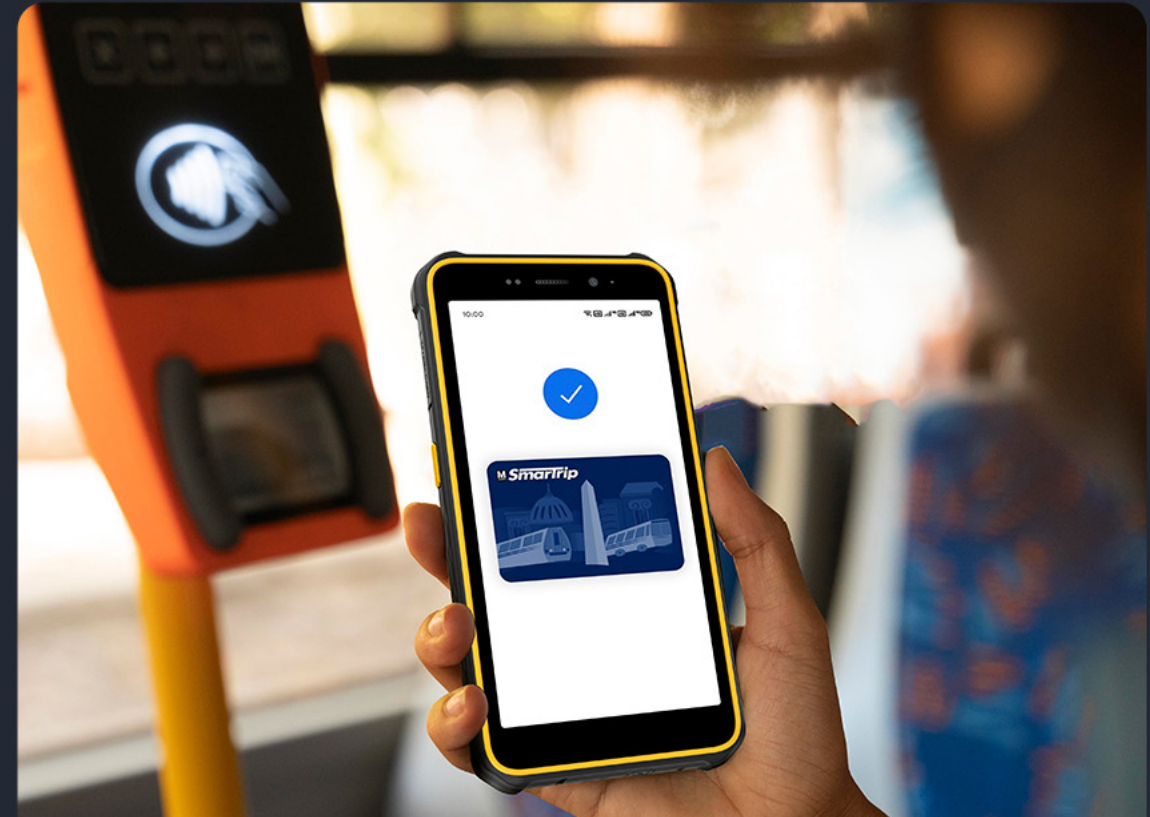

Practical Life Assistant

MULTI-FUNCTIONAL NFC

The convenient NFC technology offers a swift and efficient method for making payments using Google Pay or paying for transportation services.

Mobile Payment

Pay for Transportation

The Armor Case provides exceptional protection against shocks, scratches, and other forms of damage. It also includes a back clip and carabiner for added functionality, allowing users to keep their phones easily accessible while working or exploring adventures.

For More Capabilities
EXCLUSIVE ARMOR CASE

*The Armor case mentioned above, combined with a back clip and a carabiner in one set sold separately.

Durable Phone Holder

ARMOR MOUNT

The Armor Mount is specifically designed with a strong suction cup, making it effortless to mount the phone on flat surfaces like windshields, dashboards, mirrors, tables, and more. The carefully engineered structure allows easy adjustments and ensures a secure, vibration-free hold, even on rough, bumpy roads.

*Armor Mount is used with Armor Case only. More information refer to the Accessories page.

Universal Handlebar Phone Mount **ARMOR MOUNT PRO**

The Armor Mount Pro is a versatile phone holder designed to fit phones ranging from 5.4 to 7.2 inches in diagonal size, including phone cases. It offers a reliable mounting solution for various vehicles with handlebars, including bikes, motorcycles, scooters, and e-motorcycles.

*Armor Mount Pro is sold separately. More information refer to the Accessories page.

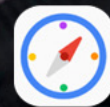

Practical, Convenient, and Efficient **GLOVE MODE**

No need to deliberately remove your gloves. The Armor X12 Pro allows you to operate your phone while wearing gloves, especially on occasions like construction sites, improving safety and convenience.

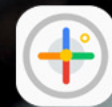

*Due to the difference of material and thickness, some leather gloves may be incompatible.

OUTDOOR TOOLS

Travel light with the Armor X12 Pro. It comes packed with essential outdoor tools, such as a Gradienter, Height Meter, Magnifier, Hanging Painting, Noise Test, Protractor, and Plumb Bob. Say goodbye to the burden of carrying a heavy toolbox, as these comprehensive tools have covered you.
